Amplify Business Park Guildford

Industrial & Warehouse Development

Amplify Business Park, is an exciting and unique 3 unit speculative warehouse/industrial development with units ranging from 20,139 – 43,656sq.ft

The scheme is strategically located on the edge of Guildford town centre benefitting from unrivalled proximity to the A3 and providing direct access to central London and Junction 10 of the M25 Motorway. Located in a the heart of an establish industrial location, you will be in good company with well-known occupiers;

PORSCHE

halfords

SCREWFIX

Topps Tiles

Wickes

The scheme will be developed to the highest specification and green credentials, including targeting BREEAM 'Outstanding' and EPC A+ , which indicate that the buildings will achieve net zero CO2 emissions for regulated energy uses.

- 3.3 acre site.
- Providing 3 new urban industrial units totalling 72,008 sq.ft.
- All units finished to the highest specification.
- Occupiers benefit directly from photovoltaic panels on all units.
- Full secure gated development, with a self-contained secure yard to Unit 1.
- Planning fully granted for use classes E(g)(iii), B2 and B8.

Located on the edge of Guildford town centre benefitting from unrivalled proximity to the A3 and providing direct access to central London and Junction 10 of the M25.

*Indicative CGI

Site Plan

Innovative, sustainable design
Opportunities ranging from
20,139 – 43,656sq.ft

*Units can be combined

- Specification**
- allocated car parking spaces (69)
 - allocated cycle spaces (24)
 - secure yard for Unit 1

UNIT	GROUND FLOOR WAREHOUSE Sq.ft	FIRST FLOOR OFFICES Sq.ft	TOTAL GEA Sq.ft	m2	EAVES HEIGHT m	LEVEL ACCESS DOORS	YARD DEPTHS m	POWER m	CAR PARKING kVA (EV CHARGING)
1	25,058	3,294	28,352	2,634	10.5	3	35	350	25 (10)
2	17,286	2,853	20,139	1,871	8.5	2	21	250	20 (8)
3	20,310	3,207	23,517	2,185	8.5	3	22.5	300	24 (8)
TOTAL			72,008	6,690					

Unique to you Specification

The development will also have the Goya green credentials and superior specification, with the buildings designed to perform for all occupiers.

Clear Internal Height:
Units 1 – 10.5m
Unit 2 & 3 – 8.5m

All units have a Floor
Loading capacity of
50kN/m2

Fully secure
yards

Electric level access
loading doors to
all units.

Yard depths ranging
from 21m-35m

Power allocation
up to 1MVA across
all Units

24Hr Operational
Capabilities

15% roof lights to
ensure natural light
to warehouse

Fully fitted
first floor office
space

Comfort
cooling/heating
system to offices

Allocated
car parking spaces
(69 spaces)

Allocated
cycle parking
(24 spaces)

Energy Efficient Eco-initiatives

Amplify BP provides highly sustainable warehouse/ industrial units. The scheme presents the opportunity for occupiers to minimise their environmental footprint without compromising on unit specification.

BREEAM target
'Outstanding'

EPC A+
target

Electric car
charging points

PV panning
roof

Ground & air source
heat pumps for office
heating/cooling

Water Regulation
Technology

Bio-diversity
enhancements

Thermal insulation and
airtightness in excess
of building regulations

POTENTIAL
SAVINGS OF
C. £0.93PSF
PER ANNUM*

Occupiers will benefit directly from the free electricity generated from the PV system, this will enable a maximum cost savings per annum if all electricity is used as below;

UNIT 1	£21,840 pa
UNIT 2	£18,200 pa
UNIT 3	£21840 pa

*assumption/calculation is based off an assumed rate of £0.28p kW

*Savings based on the energy saving specification including PV panels and building efficiencies when compared to a 15 year old building of a similar size.

**Indicative CGI

Unrivalled Location

Midleton Industrial Estate Road, Guildford GU2 8XW

The property is located on Middleton Industrial Estate Road, advantageously located to Guildford Town Centre and local amenities. With unrivalled connectivity, the development is close to the junction with Ladymead (A25), which in turn provides excellent access to the A3 and onwards into central London. Junction 10 of the M25 is only a few minutes drive providing a strategic link to the wider motorway network.

The site further benefits from excellent local bus services with the nearest stops within easy walking distance to the development.
